### Dear Guest,

It is our duty to ensure that the health and safety of our staff and patrons are well looked after. While we continue to operate during this pandemic, we must oblige and observe the rules and regulations enforced by our Ministry.

We politely remind you to keep your masks on at all times while in the café and restaurant and to only take them off when you're eating and drinking. We love for you to enjoy your meal and experience with us at all times but it is with regret that should your party stay past our closing time, we will need to clear all alcoholic beverages by 10.30pm.

As an added precaution, our Company has taken an extra step to invest in air sterilization equipments patented with Cerafusion technology to ensure that our premises is well sanitized.

Should you have any feedback with your meal and experience during this time, please do not hesitate to reach out to one of our managers.
